

Are you listening?

You promise to hear when I call to You and to set me apart for Yourself. This doesn't mean that I have a right to be haughty but that I am special and loved by You. You listen to my fears, pains, and joys. You keep all of my pictures I make for You. You save all my tears and are there each time I cry to hold me and let me know that You care. You allow me to grow from my experiences and don't smooth out all of the bumps but walk beside me, holding my hand and letting me know that I am not alone in my journey. When times are really tough You pick me up and carry me, showing me Your hand in my life in so many ways! Thank You Lord for never turning loose of me. For staying right beside me always, even when I'm looking in the other direction and don't see You. You are here!

"Fear not, for I am with you!"

-God

Be Quiet! It's Gods turn to speak!
