

## Heaven's Tears

Jesus enters Gethsemane  
A garden spot beneath a tree  
Jesus' time is drawing near  
And God's plan is crystal clear  
Jesus is compelled to pray  
For the end starts this very day  
On His knees Jesus cries  
Tears swell in the Father's eyes  
He ends this prayer, part one  
Not My will but Yours be done

Peace for pain is Jesus need  
As He returns His case to plead  
All Heaven hears His cry  
And tears flow from every eye  
He begs His Father that day  
While knowing there's no other way  
Jesus will fulfill His part  
But His anguish tears the Father's heart  
The end of prayer part two  
I choose Your path, I'll follow You

Once more He turns to pray  
Determined to walk the Father's way  
Peace for pain now fills His heart  
The hours here, nearly time to start  
Tears drying on each face  
Father and Son share one more embrace  
To the cross He now went  
For this is the reason He was sent  
Let it be done unto Me  
He concludes with prayer part three
