

We interrupt this story to bring you this incredible breaking news. I Witness News has just been given a first hand account of Creation! Sir, what is Your name?

Jesus

Can You tell me about the events that You just witnessed?

I didn't just witness them, I actually participated in them personally. My Father and I worked together to make something out of nothing, and We did a pretty good job of it if I do say so Myself.

It looks beautiful! Can You explain this "something out of nothing" process?

Well it's really simple. My Father and I took an empty void, spoke to it, told it what We wanted, and it happened just like We said.

Incredible! You just spoke and it happened! You heard it here folks. I Witness News is definitely going to be keeping an eye on this group. We will bring you new developments as they occur. We now return you to your regularly scheduled story.
